*Dear Chairmen,*

*I write to support the Comments of the Cable Act Preservation Alliance (“CAPA”) and to disapprove of the proposals and tentative conclusions set forth in the FCC’s September 25 Further Notice of Proposed Rule Making in Implementation of Section 621(a)(1) of the Cable Communications Policy Act of 1984 as Amended by the Cable Television Consumer Protection and Competition Act of 1992, MB Docket 05- 311.*

*I have recently gotten involved with Chelmsford Telemedia in Chelmsford, MA, my local public access station. I am so impressed with the professionalism and services they provide our community. The role they play in the dissemination of information in our community is critical and a cut in funding would cause significant impact.*

*Please consider this appeal for the continued support of cable access television.*

*Regards,*

*Kristen Flynn
